# U7s Old Collegians V Souths

Saturday morning saw the U7s match up against Souths at home. Our third last game of the season, and second last home game.

The long season must have worn Souths down, with only 5 of their whipper snappers making it to South Australia's home of rugby - the mighty Tregenza Oval. The Old Colls U7s once again had strong numbers and donated 3 per half to don the Souths jersey.

Coach Tom, galavanting across the country to catch up with his mates, was absent. I was unavailable too, with work (booo) getting in the way once again. Whilst we considered letting the kids roam free like the buffalo and run their own game, thankfully Jeshua stepped in to keep them under control. Part of me wishes he didn't just to see what would happen, Lord of the Flies springs to mind.

With the handing over of Old Colls team mates came the predictable "extra" competitiveness. Epic try scoring, plenty of tagging of the traitors, it was a sight to see. Thanks to all the kids who helped out Souths making the game much fairer and giving everyone the chance to play. We are lucky to have a great team of kids.

See you all at home again this week for our final home game.

\*the version of events listed above was relayed to me by my son Fraser.

Cheers Simon Flint

# U8s Old Collegians V Souths

Saturday morning dawned with a promise of rain coming down in buckets. But it wasn't to be (BOM delivers once again) and, apart from Zoe's early dental challenges, the U8s ran onto the field dry and excited.

Ever-professional ref Lance stepped up to the post again with the promise to blow fairly. And the game was on. It was soon apparent that the beanie Henry wore throughout gave him some secret strength as he popped up all over the field.

Tackling has definitely improved over the season and we saw some great rucking by Rory. But the first try went to Souths, a little kid with some serious speed.

As the rain teased with a few drops, the mighty Indy picked up the ball and ran straight into the fray but got taken down before the line. Then Cullen picked up and ran the full length of the pitch to score the first try for Old Colls. Nice one. Leo did some nifty side-stepping and streaked down the sideline but was stopped just short.

Next it was Harvey's turn, with a huge run, almost stopped by a massive Souths tackle. Undeterred, he picked it up again and got the try second time lucky.

Halftime saw Mark giving some excellent coaching tips about supporting your mates and listening to Captain Henry. With Souths ahead, Old Colls went in pumped for the second half. Jaco got in an awesome tackle, which unfortunately resulted in one of the Souths team being carried off the field. Jamie did some great passing then there was a strong run across the field for Joa to the tryline.

Lineouts are starting to look better and Henry managed to stay on his feet with the ball while dragging five Souths behind him. Ruby, Zoe and Zara provided constant support all over the field, spreading the ball to their teammates and getting in the crucial tackles.

Some questionable ball handling by 'I did nothing' Rory, better rucking and a few more tries for both sides and the game drew to a close.

With Souths only fielding half a side, there were never going to be any real winners or losers, but the kids played their hearts out as usual. What a great side and of course a fantastic bunch of supportive parents too.

Jacqui

# U10s Old Collegians V Souths

After a few days of heavy rain, we arrived at a soggy Tregenza on a very chilly morning. This made the all-important warm up (and wake up!) even more critical. Thanks to our brilliant coaches and under 18 stars, Jamari and Ryan, who did a great job getting the kids acclimatised quickly so they could hit the ground running.

This week we were a couple of players down due to illness and interstate trips, but Souths were obviously battling their own numbers challenges, arriving with only 8 players. So, in the true rugby spirit we've all become accustomed to, we loaned them 3 players to enable an 11-a-side game (Huge thanks to all players who personified that spirit by donning the Souths jersey for a half!). The upside of this was everyone got a good run and we were treated to some fast, open running rugby. The downside was that it made it harder to put into practice the structure we have been working hard at developing all year.

Shortly after kick-off it was clear that having evenly matched the numbers, we had also evenly matched the quality and capability of both teams. It was a free and fast flowing affair, with many tries scored following a tit-for-tat pattern. Souths have an extremely impressive (and fast!) number 12 who gave us a lot of grief last time we played them, and he was again in fine form. He and a couple of their bigger players really tested our defence but for the most part we rose to the challenge beautifully.

Highlights included our tackling which we have worked long and hard on all season. It's great to see our players' confidence build, allowing them to put their bodies on the line and stop opposition players in their tracks. Other positives included the demonstration of our "never give up" attitude as we saw many players chase down those strong Souths players to stop certain tries.

The main area for improvement was our structure and discipline at the breakdowns but, as noted above, this is easier said than done with reduced numbers changing the dynamic and requiring many players to play out of usual positions. We will continue to work on our structure as we head into our final 2 games.

In the past few weeks, necessitated by some on-field occurrences, we have been emphasising the mental and emotional side of rugby, including the importance of discipline, resilience and respect. These qualities are particularly important in terms of playing the whistle, respecting the position and authority of the referee, and not letting the behaviour of the opposition distract us from our game. We have framed this to the players as understanding the difference between the things we can't control (eg the referee, the opposition, the weather!) and the things we can control (eg our own game, our own behaviour, and the way we respond to the things we can't control). We welcome families' reinforcement of these ideas as we feel they are lessons best learned early in rugby (and in life!).

Special mention and thank you this week to Tonat (and family) for sharing his birthday celebrations (and cake!) with the team after the game, a great team bonding experience. Happy birthday Tonat!

Looking forward to this Saturday's hit-out against Woodville, our final home game for season 2022!

**Cheers Will** 

# U12s Old Collegians 51 V Souths 7

Souths have a good mix of strength and speed which always makes for a good contest. Game on with 10 of their guys showing up, we provided some willing participants to bolster the side. It's always fun to watch team mates going up against each other. This game was no different and there was no love lost on the field.

The challenge was issued early to our group with many players given opportunities outside of their normal run of play and they all really stepped up. We had two tries courtesy of Roman and Tenali before the 10-minute mark which set us up nicely. Our defence was strong and we looked good in attack. Billy and Digby for the second week in a row put on a real show in the locks keeping souths honest at the breakdown and producing some great hit ups! Zander, making his first start of the season was impactive up front, putting some much-needed muscle into the scrums and holding the platform nicely. A slight lapse in structure through the tail end of the second half allowed a single try to materialise on the board for Souths but on the whole, a solid outing to finish the first stanza at 12-7 up. A few missed opportunities out wide left points on the paddock but these were quickly swept up in the second half.

Daniel and Zack wasted no time making quick work of Souths defence leaving trails of destruction everywhere they went. The introduction of Sam into the front row kept us stable and moving forward to compliment Sid and Jack who both had absolute blinders! The great work done by Billy, Digby and Zander in the first half to hold them out meant that Souths were denied the fresh legs they needed in the second to put a dent in the score line and from there, it was all OC!

Sam went over first with a great crash ball to the near side corner post. Followed soon after by Josh who positioned perfectly for a late offload by Zack to pick up his first 5 pointer for the match. Zack then crashed his own way over, followed by Sid with a lovely set of hands that had the opposition spinning in circles. Tenali and Will T were next to soar off into the sunset outpacing the deep defence of the Souths line and finally Captain Zack put his muscle to use again close to the line, finishing it all off at 51-7.

Special mention has to go to Ellis with amazing defence all day! He cut down the biggest the opposition had to offer with impunity, so gutsy!! Zara too was a standout in the second half, feeding off those around her, she found her voice and a ton of mongrel over the ball which was great to see. So too Josh and Harry hungry all day. Thanks to those who willingly traded sides to put on a great contest. Your contribution added tons of value to the weekend for everyone. Let's roll on to that flag!!

Tries: Zack (2), Tenali (2), Roman, Sam KG, Josh, Sidney, Will T Conversions: Ellis (3)

Cheers Mick Trlin

# U14s Old Collegians 47 V Souths 10

Playing a home game away can unsettle a team and this week we were up against Souths at Burnside! Though Souths are sitting at the bottom end of the ladder they have some big runners and can never be taken lightly.

Given the makeup of the squad, many players have been playing out of their preferred position this season and this was an opportunity to give these players a run where they feel more comfortable and provide others with opportunity to come off the bench. Given COVID and injury still impacting the squad it also provided opportunity for new combinations to get some familiarity in the event we need to use them as we head into the final stages of the season.

All good plans often come undone and there was some scepticism if Souths would show, given no team had been submitted into the explorer app! It wasn't long into the warmup when the team manger approached stating they only have 11 players, keen for all to have a game OC lent three players making it a 14-14 match.

It was still a key focus to give players a run in their preferred positions, so Manuel, Angus and Ryan put on the green and red for the first half. The whistle blew and quickly showed that there was some complacency within the OC group and the match was slugging with little commitment to the tight play, however momentum slowly increased as the match went on finally providing Harry the opportunity to cross the line.

The whistle was heavily against OC providing plenty of opportunity for Souths to put pressure on OC defensive line, however some solid team defence kept the opposition out for most of the first half. Both teams moved up and down the field with some solid and not so solid attacks and defensive phases allowing OC to score through Harry and Thomas before Souths continued pressure rewarded them with a try taking the score to 21-5 at the half time break.

The coaching team were keen to see some commitment, better protection, and use of the ball and to maintain our structure and game plan. This is not always possible in matches like these but was very important for OC to stay controlled in preparation for what will be a tough match v Woodville this week!

Thomas, Ezra and Johan swapped out with Angus, Manuel and Ryan to slip into the red and green for the second half. OC seemed to re-focus and hold their structure providing opportunity for Alfie, James W, Ryan and Harry to score with Souths pushing through for their second try late in the second half.

The match certainly had its moment where the team worked well together however also again showed periods of lapses in concentration which we can't afford if we are to progress all the way.

It was great to see Ryan come back from illness and injury to put in some great runs and to be rewarded by a solid try, Wady had the opportunity to dance and swivel his way through the defence for a 50m try and Will was back to his best with 6 from 7 successful conversions.

Though plenty to work on this week, overall, it wasn't a bad game to watch and thank those who crossed the line into the red and green to allow the game to proceed, every bit of match time counts at this end of the season.

Big game this week at home against Woodville.

Cameron

Thank you for the photo Cameron

# Old Collegians 31 V UniSouths 0

The UniSouths lads arrived with some spirit and the intent to play for a last chance at the finals. The intensity of last chance rugby rattled the Old Colls and our attack. We continued to defend well but couldn't string it together to break through until we finally spun it wide to Tyson and pinned his ears back for a great try to open the scoreboard. Archie started to bring some heat with great clearing out and then a ripper try off a lineout. Special mention to Kyle who did an awesome job in the air making every lineout a real contest as he wanted the ball desperately. Kyle will be missed over the next few weeks and the lads will need to channel his passion for the ball into the finals campaign.

The pressure from UniSouths forced some lack of discipline, white line fever and some yellow cards which was new territory for Old Colls and the team had to work hard to relax and get back to playing our team game. With a deep breath and a diamond piece Lochie was over for a great try down the wing taking the scores to 24-0 at half time.

Tyson had another great run early in the second half and simple plays and straight running saw Jet blast through for a nice try and a great example of what we need to do more of. Ivan kicked a couple of sweet conversions and Old Colls wrapped up the game and UniSouths season 31-0. Archie and Salvy got best players for the game and the whole team defended the try one with zero scored against.

It wasn't our prettiest win but we did learn more about what to expect playing against teams who are playing for a final spot at this end of the season. One last game for the minor rounds with Woodville at Tregenza again next week and then a bye before the Battle of the East against Burnside in our 1 V 4 final.

Thank you for the photos Cam Hazzard

# U18s Old Collegians 39 V Onkaparinga 19

This week the boys in the red and blue were back at the fortress that we call tregenza oval against a sting Onkaparinga side for a 2v3 clash. The tone had been set out during the week with the team knowing how big this game was. The tensions were rising higher and higher every minute on a brisk Saturday afternoon. The warm up set the intensity for the game with everyone on the ball and ready for a huge game ahead. With a full side back this week everyone knew from the crowd to the players they were in for a ride.

At 11:30 it was all in the hands of the lads with huge shots being put on by the boys to start the game which saw Onkaparinga crumble straight away because at the 2 minute mark Oscar Gehan rammed his way through Onkas and put up the first points of the game. With foot on the throttle the lads continued to play some amazing structured rugby in the 6th minute Harry Raff slid over for his first for the game which was converted by Carl Arnold to make the score 12-0.

With momentum in full swing our backline we're moving the ball better then ever and Nathan Russell in the 11th minute ran over the Onkas defence and made the score 17-0. With Onkas fired up the boys the boys fell out of there structure and played into Onkas hands which allowed them to put a try on us but with a fired up team again the lads got back into the swing of it.

Some big runs from Jacob Borrelli and Hanno de Klerk allowed our strong forward pack to move the ball up the ground. Then in the 23rd minute we shot the ball to our backline and Patrick Harris Slid over in the corner to make it 22-5. Shortly after with the lads moving well, Noah Robertson in the 30th minute dove over for his first which brought up half time 27-5.

With a great second half the goal for the lads was to keep the foot on the throttle and put points on points. Which is exactly we came out and did with Harry Raff in the 38th minute scoring his second for the day making the scoreboard 32-5.

But with energy dropping and fatigue setting in Onkas we're able to put easy points on us but in the 58th minute Harry Raff stormed through the Onkas defence and ran half the Felid to score his third for the game which was converted by Carl Arnold to make the score 39-26 which then became full time.

A great win for the lads at home and next week we come up against Woodville for a Friday night clash at the fortress.

Try's: Harry Raff (3), Nathan Russell (1), Noah Robertson (1), Oscar Gehan (1), Patrick Harris (1).

Convertions: Carl Arnold (2)

Thank you for the photos Mark Green

# Womens Old Collegians 5 V Souths 62

Late on a Saturday afternoon in lighting described by AJ Walwyn as 'a toddler playing with a light switch' (whatever that means) OC Women took the field to face top of the table Souths

It was a bruising encounter right from the start. Despite the pre-game nerves your OC Women's XV held Souths at bay for the opening salvo of the game and showed their intent with a few probes into attacking space.

Souths showed why they are atop the table though, demonstrating an ability to counter attack and pounce on the smallest gap in the defensive line. Over the next fifteen or so minutes Souths managed several tries and before we knew it we were looking up at South's taillights.

OC rallied in the last ten minutes of the half and showed again the result of the year's training managing to get Souths back under control and holding them out of the line for the rest of the half.

The game saw new players in the team and new players in the run-on side. Alex showed just how very hard she is to stop when she gets the ball and gets down low. Hannah demonstrated her lightning speed and an ability to read the field and get into position as a winger. Tori played in the forwards for the frist time and tackled like a demon. Leggat carried the ball from scrum half more times that we could count, Liv hurled herself at runners left and right, the list goes on, and on, and on.

As the game progressed, injury took its toll with four of our players ending up on the bench. In a fantastic sporting display characteristic of the best of Rugby Souths agreed to match numbers but in the end they prevailed. OC battled to the end, though, and when our best on ground for the day, Sam Cooper, broke free from the defensive 22 for a 70-metre run to the try line the cheers from the stands were louder than any I've heard at Tregenza Oval before.

Congratulations to Souths and to OC Women for another great display of rugby.

# Third Grade Old Collegians 64 V Souths 10

Round 16 rolled around and we were back at Tregenza Oval for a game against Souths this week. The crowd was greeted by a return of our full time beer influencer of a coach Pete Cross, and looks like this may be his cemented role till the end of the season after some finger surgery to come. Wish you well with this Crossy.

This week welcomed a new member of the 3s hit squad with Jamie Watson joining the ranks. And some new additions from the higher grades with Alex Rokobaro learning what third grade footy was all about.

KO beckoned, and we set our tone early that we meant business.

Smeds opened our scoring, and this continued with some more sweet tries from Lotzy, Johnno, Hoppo, Mad Dog and Big Craig setting ourselves up for an early and commanding lead.

Souths weren't going down easy though, an overlap from some well worked attack allowed them to put a try in the board in the first half. After a few words from Hoppo, this only fired the boys up more to set the OC score line higher.

Some wise words from our assistant head coach Ben Suttell after his dogs trip to the vet at halftime set us on our way for the 2nd half.

More tries from Justin, Lotzy, Johnno and a beautiful side step from Juan Aguair set us up for a final score of OC 64 - 10 Souths.

# Premier Reserve Grade Old Collegians 26 V Souths 19

Rugby can be a beautiful game. This however was not a shinning example. To be fair, South's were playing to keep their finals hopes alive and seemed willing to do most anything unconventional to achieve that. We were playing to consolidate our top four position. Both sides struggled to find any form or consistency in the opening quarter of an hour even though Joeli lifted spirits with an early try, well converted by Alex Rokobaro. Souths evened up quickly. South's No 2 suffered from some general team indiscipline around the ruck and headed for the bin. We had been slowly gaining the upper hand, particularly in the forwards with Dan Harding, Chester Armstrong and Jimmy Francis starting to make sense of Souths unconventional forward play, and now with a slight numbers advantage Louis Wauchope finishing well down the right side. Alex could not make the long kick from the touch line. Alex was pretty much in full control now directing play from Full Back. Souths No 12 tried to neutralise that advantage with a pretty crude tackle on Alex, and not happy with his first attempt he followed a few minutes later with a very crude tackle that took Alex out of the game, earning himself a sending off in the process. No more scoring and we took a 12 - 7 lead to the half time break.

The kicking efficiency Kurt McKinley and Max Monfiries was keeping Souths penned in their half but it was all still chaotic in general play. Great then, when James Hopkinson (who replaced Alex) crossed line and converted his own try 10 minutes into the half to give us some breathing room. Now the bench started to come into it's own as those returning from injury and illness started to flag. Mick Trlin had replaced Ed Earle toward the end of the first half. Now, with 25 minutes to play, James Lotz was on for Loius and Oscar Gehan for Henri Pardoe. Then with 12 to play Ethan Ellis for the very hard working Tyler Ryan. Souths managed to take advantage as we regrouped and scored a try (unconverted) to cut our lead to an uncomfortable 19 - 12. But in the gruelling ebb and follow that characterised most of the match it was becoming clear that we were gaining the upper hand, emphatically so when Oscar scored an excellent try that Jimmy converted. South's came back with a late flurry with a converted try but time was now up. They had possession deep in their own half but any risk of a breakout died when they knocked on. It was all over at 26 - 19.

In these games where not everyone is at their best it's great to know that as a team we have the courage, strength of mind and depth to be just that, our best. And because of that, this was our best win of the season. Max continued his good form, along with Joeli who ran strongly and caused many a problem for his opponents. Chester Armstrong was never out of the play, whether it was securing our line out ball or disrupting Souths, working hard in the tight or debating the Laws with the Referee, and was a well deserved man of the match.

**Old Collegians** 

Tries: (4): Joeli Tavui (1), Louis Wauchope (1), James Hopkinson (1), Oscar Gehan (1)

Penalty Goals: (-)

Conversions (3): Alex Rokobaro (1), James Hopkinson (2)

Souths Tries: (3):

Penalty Goals: (-): Conversions: (2)

#### **Cheers Douglas**

# Premier Grade Old Collegians 34 V Souths 19

Tries: Max Cagi (2), Lincoln Ormsby, Chris Bartlett (2)

Conversions: Lincoln Ormsby (3)

Best Players: Riady Perdana, Dom Lane, Chris Bartlett

The First Grade overcame several disruptions to repay their first round loss to Souths, taking a bonus point and denying one to Souths, keeping them out of the top 4 on the ladder. The reserves were especially important, with McKinley and Lotz backing up from playing Seconds to cover injuries in the warm-up and early in the game, and Monfries slotting confidently into halfback after both sides lost a player to red cards.

Souths had the early possession but Nutt and Lane were hard on the rucks, forcing penalties which allowed Ormsby to kick for the first three points. After holding Souths back again, a further penalty took play into their 22 and from the lineout a midfield attack pushed up to the line where Cagi bullied his way over for a try. Unfortunately Old Colls dropped the ball when trying to run the restart back, giving Souths a scrum where they went off the back and drove big bodies over to claw back 5 points.

Lane won another ruck penalty off the restart, which McKinley sunk deep into the 22. The forwards drove rucks up and infield towards the posts where Lincoln cut back around the ruck, taking a short pass from Trent and strolling over to touch down. The forwards kept the pressure on to regather the restart, with Edgar punching up field then McDonough was put into touch just before the line on the left wing. Old Colls stayed in the redzone and moved towards the midfield, before the backs switched left and Bartlett fended off a couple of defenders on his way over for a try.

The aggression of the game was ongoing and culminated in a red card for each side as Old Colls were on the attack in the Souths' 22. A couple more penalties put Souths on the attack at the other end of the field in the final minutes, where Old Colls also got a yellow card. The remining defenders were resolute and held Souths out until Perdana forced a turnover and the whistle, keeping the score at 22-7 at the break.

Old Colls gave away multiple early second half penalties which let Souths kick into the 22 and keep enough pressure on to get back another seven points. After some back and forth Old Colls had a scrum on the 10m line, and Monfries cleaned up a loose ball to put Bartlett into gap for a 40m diagonal run to the left corner for his second try. Souths attacked again and had a solid series near the tryline, but defence highlighted with big shots from Cagi and McDonough kept them out until Tristan defused it by securing a turnover.

When Old Colls were able to move back upfield Tristan put a kick through which was almost regathered in goal, but Souths got there first, forcing a line drop-out. Cagi ran it back straight and the forwards moved phases right, before sliding back left where Cagi scored a second in the corner. In the last few minutes Souths again put penalties into the 22, driving up off a lineout and getting back a third try under the posts. Chasing a bonus point they set up a final lineout in the Old Colls' 22, but Jeshua stole the throw-in and Lincoln kicked to clear and end proceedings.

#### **Cheers Tom**
